

# R16 / R24 Audio Driver for Windows(64bit/32bit) Version History

The audio driver version is shown as below.

1. Double click “ZOOM R16 Control Panel(ZOOM R16\_R24 Control Panel)” icon in control panel.
2. Select “About” tab.
3. You will find “Driver” indication below the logo. Two kind of versions(Kernel and ASIO) are shown next to it. Right “x.x.x” is the version for “ASIO” driver.

You can always download the latest driver software for free on the web site shown below. The web site also has information on installation procedures, possible problems, and Frequently Asked Questions.
