

## **R8 Audio Driver for Windows(64bit/32bit) Version History**

The audio driver version is shown as below.

1. Double click “ZOOM R8” icon in control panel.
2. Select “About” tab.
3. You will find “Driver” indication below the logo. Two kind of versions(Kernel and ASIO) are shown next to it. Right “x.x.x” is the version for “ASIO” driver.

You can always download the latest driver software for free on the web site shown below. The web site also has information on installation procedures, possible problems, and Frequently Asked Questions.
